

GRAB YOURSELF SOME CRAB

In Mendocino County, people live and work comfortably with the rhythms of nature. Our fishermen, farmers, wine makers and brew masters play with the subtleties of the seasons and the bounty of the land and sea for their livelihood and the pleasure of others. The 10-day Crab Feast Mendocino is a celebration of their efforts! It takes place in the middle of the long winter season, a time when the demands of our daily lives are a bit slower, allowing us all an opportunity to partake in fine seafood, wine and beer while enjoying the cool weather and short days, along with good company.
