RE: **STRATEGIC PLANNING WORKSHOP DATES**

Greetings!

Visit Mendocino County has enlisted the help of the Coraggio Group to help the organization develop an actionable 3-year strategic plan. In order for this to be an effective process, we are seeking stakeholder input through workshops that will be held throughout the county.

Here is the current strategic planning workshop schedule. Each 3-4 hour workshop will cover the same material. Please select one that will be most convenient to you:

- Monday, January 30 in Ukiah – 2:30pm
- Tuesday, January 31 in Ukiah – 9:00am
- Wednesday, February 8 in Little River – 2:00pm
- Thursday, February 9 in Fort Bragg – 9:00am

If you are interested in receiving more information or attending, please let me know by emailing me at brent@visitmendocino.com or by calling 707-409-9660 ext 103.

Thank you
